2024 FRONT BED CONTRACTED LANDSCAPE SERVICES OPT-OUT

Owner Name(s): _____

Property Address: _____
Centreville, MD 21617

I/we understand fully and acknowledge the choice to opt-out of all contracted landscape services for the front bed(s) in no way releases me/us from liability for the full amount of the monthly HOA assessment. I/we further agree to hold harmless Symphony Village at Centreville Homeowners Association, Inc. and its contractors against any claims or liability to include oversites. The annual contracted landscape services I/we hereby choose to decline are as follows:

FRONT BED CONTRACTED SERVICES

The front bed contracted services include but are not limited to shrub pruning, edging, mulching, and Spring fertilization/weed treatment application.

By signing this form, you are declining the front bed services provided by Level Green Landscaping as defined in the 2024 Landscape Management Contract. The approximate timeframes for front bed services are listed below for your reference:

- Edging, Shrub Fertilization/Weed Control & Mulching – Spring
- Shrub Pruning – Spring/Summer & Fall

Please do not hesitate to contact the Management Office at 410-758-8500 with any questions.

If you opt-out, leaf removal and periodic weed control/treatment **will still be completed** in your front bed as Level Green Landscaping deems necessary. Precautions and great care will be taken to ensure no plants, other than weeds, are impacted by the efforts.
